

STATEMENT OF CERTIFICATION

– August 6, 2026 –

The MADE SAFE® seal means that a product is *made with safe ingredients*® and made without chemicals known or suspected to harm human health, animals, or ecosystems.

MADE SAFE is the only human health and ecosystem-focused certification that applies to a wide variety of everyday products. Every ingredient is evaluated for human and environmental harm, including toxicity, persistence, and bioaccumulation. When you see the **MADE SAFE** seal, you can trust that the product is made without the intentional use of more than 15,000 harmful substances and meets the highest standard for safety and transparency.

The following My Green Mattress products

Emily Organic Crib Mattress
Kiwi Mattress
Natural Escape Mattress
Pure Eco Organic Kids Mattress

have been MADE SAFE® (Made With Safe Ingredients) Certified.

THIS STATEMENT IS VALID THROUGH MAY 2027.

MADE SAFE is a rigorous scientific certification that uses a hazard-based approach to ingredients. Named products do not contain ingredients known to be harmful to humans or ecosystems as per our Screening Process.
